† OPENING PRAYER (*in unison*) Pastor Beth Malone

The gifts God gave were that some would be apostles, some prophets, some evangelists, some pastors and teachers... We give thanks for all these gifts.

Today we give special thanks for our teachers, all who love us, all who challenge and nurture us, and all who guide us in growing and learning.

God, you have created us as human beings who mature from infancy, through childhood and adolescence into adulthood.

Today we celebrate that growth. We especially put our children before you. We give thanks for all they've learned in Sunday School, so that they may grow in faith.

We pray they will follow after you and be builders of your kingdom. Protect and steady their steps. May they continue to learn to hear and follow your voice. Amen.
